**IRISH AUTHOR PATRICK HERON
HAS SOLVED THE RIDDLE OF THE
PYRAMIDS FOR THE FIRST TIME
EVER IN HIS SENSATIONAL AND
CONTROVERSIAL NEW BOOK!**

Scores of books have been written in an attempt to unravel the mysteries of the Pyramids and to identify their builders. But all these books have one thing in common; they have failed to inform us as to who these builders were and from whence they derived their knowledge and skills.

Buried in ancient Hebrew texts, undiscovered and largely ignored by scholars, lies a wealth of information about a mysterious cabal of a little known race called the *Nephilim*.

In the first part of this volume, I have provided a detailed study of this unknown race showing -

- who they were
- where they came from
- where they acquired their mathematical and astronomical knowledge
- how they possessed the strength to construct these huge buildings
- why they chose the pyramid shape
- why they align with celestial bodies
- where they went

In the second part of this book, I have shown how these same age old pyramids portend a future event. Analysing again the ancient texts, I will provide an examination of the prophecies of the **Book of Revelation** and of the signs we are told would precede these imminent happenings. In doing so we shall garner the necessary details and information whereby the reader will be able to audition the future.

Finally, having travelled back to an epoch dating to before our world began, and having journeyed forward to espy what lies ahead, this volume will culminate and climax in a phenomenon never before proposed or explored - **The Pyramid of The Apocalypse**.

Patrick Heron (B.Sc.Mgt.M.A., B.Sc.Th.,) is available for interview to promote his new book. He has extensive radio experience and his first book went into the best sellers in Ireland after one national radio interview. Contact:
